"We know you have been doing a lot, so we wanted to give you flexibility to meet not only your learning needs, but also your personal needs. Thank you for everything that you do!"

What's Been Done So Far?

Professional Learning Days on 10/30 and 3/4 were changed to virtual learning or work-from home days.

VDOE Requirement

- Requires school divisions to provide instruction for a minimum of 180 days or 990 hours each school year.
- Currently, CCS has 180 days which equals 1049 hours. (+10 days)

Next Steps: Calendar Revision Recommendations

1/21/2021 *Currently an early dismissal day -- will become a full day in school for students. (This adds instructional time to allow for the rest of these changes; January is a month that already has breaks for staff and students.)*

2/21/2022 *Currently a full day of classes -- recommend that all schools and offices be closed (President's Day).*

3/18/2022 *Currently a full day of classes -- recommend that it become a Teacher Work Day (student holiday). Teachers may elect to work from home; further guidance will be provided by the building principal.*

4/01/2022 *Currently an early dismissal day-- will become a full Teacher Work Day (student holiday). Teachers may elect to work from home; further guidance will be provided by the building principal.*

What does
this mean?

- CCS will have 177 days in the SY 21-22 calendar.
- CCS will have an average of 1,031 hours, which gives an allowance in case of snow days or other closures.
