

## Charlottesville City Schools 2020-2021 Course Enrollment Report

Annually enrollment counts are reviewed in selected programs. These counts are displayed in the tables below. The tables (pgs 1-2) show trend data for the past two years and current enrollment data in WALK, CATEC, AVID, Dual Enrollment, Advanced Placement CHS Honors, and Buford Honors. The unduplicated counts show the number of students while the duplicated count includes multiple enrollments in courses or programs by those students. The tables (pgs 3-4) provide a comparison of the previous year and the current year enrollment data. The data is based on December 9, 2020 enrollment counts.
