# Transportation Update

February 3, 2022

# City Pupil Transportation Snapshot

- 30 drivers needed for regular routes
  - 40 is the goal to address relief & special needs
  - 2 trainees scheduled for testing Monday the 31st. They will assume routes on February 7th that office staff have been filling.
  - 3 additional drivers hired and are in the process of onboarding. Planning to start training around February 14th. One CAT driver returned to CAT due to schedule
- Waitlist at 312
  - COVID protocols may temporarily reduce driver availability and impact routes
  - Schools actively working with families and transportation to route new students who do not have other transport options
