2023-2028 Strategic Plan Alignment

Priority 1 - Increase Academic Achievement

- Target 1: Graduation Rate
- Target 2: Post-Secondary
- Target 4: AP/DE Course Enrollment
- Target 5: Mastery in Tier 1 Instruction
- Target 7: Access to Rigor, Including Critical and Creative Thinking
- Target 8: College, Career, and Civic Readiness
- Target 9: Reading Achievement
- Target 10: Math Achievement
- Target 11: Reduce Student Group Failure Rates
- Target 12: Early Literacy

Priority 2 - Provide a Culture of Safety, Wellness, and Belonging

- Target 7: Decrease Chronic Absenteeism

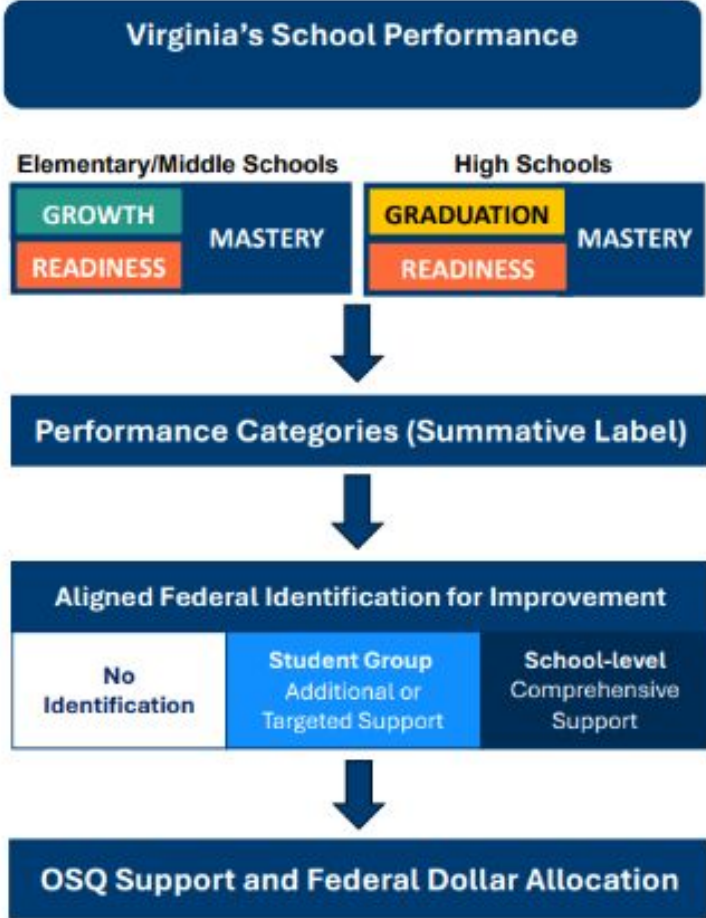

Priority 4 - Ensure Effective and Efficient Operations

- Target 12: Budget Allocations

Implementation Timeline

- **Summer 2022 - June 2024**
 - Work on the new School Performance and Support Framework began in the summer of 2022 with Board discussions, presentations from national experts, and regional listening sessions.
- **July 2024**
 - Board approves School Performance and Support Framework. Board approves final Virginia Standards of Accreditation.
- **August 2024**
 - Board reviews and approves revised ESSA State Plan. First year of data collection begins (through July 2025) for the new School Performance and Support Framework.
- **November 2024**
 - Schools receive preliminary modeling of what their school performance looks like under the new Framework using 2023-24 data.
- **January 3, 2025**
 - United States Department of Education approved the VDOE's amendments to Virginia's consolidated State plan under ESSA.
- **Fall 2025**
 - Formal results of 2024-25 school year Accountability and Accreditation reported.

Virginia's New School Performance and Support Framework

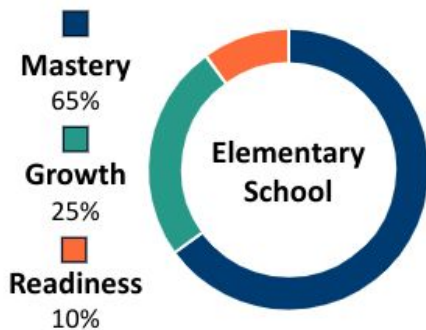

FRAMEWORK WEIGHTING

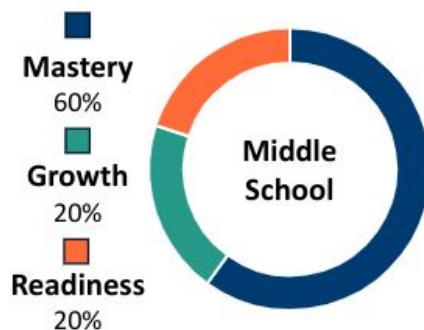

The School Performance and Support Framework is a weighted index.

This model allows easy translation into the number of points earned or a score.

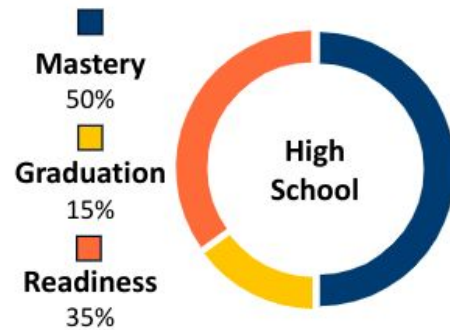

All total scores will be out of 100, but component scores vary based on grade span.

Elementary Schools	
Mastery	65%
Growth	25%
Readiness	10%
Total	100

Middle Schools	
Mastery	60%
Growth	20%
Readiness	20%
Total	100

High Schools	
Mastery	50%
Graduation	15%
Readiness	35%
Total	100

- Percent of possible points (Rate) = Points earned divided by no. of students times 100
- Index value = Percent of possible points times weight

PERFORMANCE CATEGORIES

Distinguished

Schools are exceeding the state's expectation for growth, achievement, and readiness.

90 points and above

On Track

Schools are meeting the state's expectation for growth, achievement, and readiness.

Between 80 to 89 points

Off Track

Schools are not meeting the state's expectation for growth, achievement, and readiness. Schools will receive additional support from VDOE.

Between 65 to 79 points

Needs Intensive Support

Schools are significantly not meeting the state's expectation for growth, achievement, and readiness. Schools will receive more intensive support from VDOE in Fall 2025

Below 65 points

Schools that are federally identified as Targeted or Additional Targeted Support and Improvement will have their category lowered by one.
